Conclusion and Recommendation

Staff recommends that the City Council, BY RESOLUTION, declare as surplus to the City's needs the equipment listed on Exhibit A and direct staff to contract with an auctioneer to assist the City in disposal of equipment or properly dispose of items.

Background

Historically, City Staff has prepared a list of surplus equipment yearly for the purpose of clearing out unwanted or unneeded City property. The surplus list for this year includes 3 vehicles and various equipment that are obsolete or no longer used for City functions.

The electronic equipment is broken and has no value and will be recycled properly.

Alternatives Available to Council; Implications of Alternatives

1. Accept Staff Recommendation
2. Amend Staff Recommendation
3. Do not authorize staff recommendation

Fiscal Impact

Revenues generated from the auction will return to the City's General Fund.
